Dear Medicare Provider/Supplier,

The Centers for Medicare & Medicaid Services (CMS) has retained Performant Recovery, Inc. (Performant) to carry out the Recovery Audit Contractor (RAC) program in Region (Select for Region 1) [1 which includes MI, IN, CT, OH, NY, VT, NH, ME, MA, RI, and KY] (Select for Region 5) [5 which is Nationwide]. The RAC program, mandated by Congress, is aimed at identifying Medicare improper payments.

Our request for additional medical documentation, detailed in a letter dated [ADR Letter Date], constituted reopening under §1869(b) (1) (G) of the Social Security Act (the Act) and 42 CFR 405.980(a) (1). Our good cause to reopen the claim, if required by 42 CFR 405.980(b) (2), was described in the letter as well.

This letter is to notify you that after examining the medical documentation Performant has made a no findings determination for the issue under review on the claim(s) attached. This claim will NOT be sent to the Medicare Administrative Contractor (MAC) for adjustment. No further action is needed on your part.

Thank you,

Sincerely,
Performant
